DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Given I am on the calculator app
   When I enter "2" into the calculator
   And I click on the "+" button
   And I enter "3" into the calculator
   And I click on the "=" button
   Then the result displayed should be "5"

_____

2. User story(ies) in Gherkin syntax for the "-" button.

Scenario: Clicking on the "-" button subtracts numbers
   Given I am on the calculator app
   When I enter "8" into the calculator
   And I click on the "-" button
   And I enter "3" into the calculator
   And I click on the "=" button
   Then the result displayed should be "5"
